

Quick Start Guide

GVRL is a searchable collection of books and encyclopaedias useful for FE. It includes information on fashion, business, science, psychology, countries, child development and more.

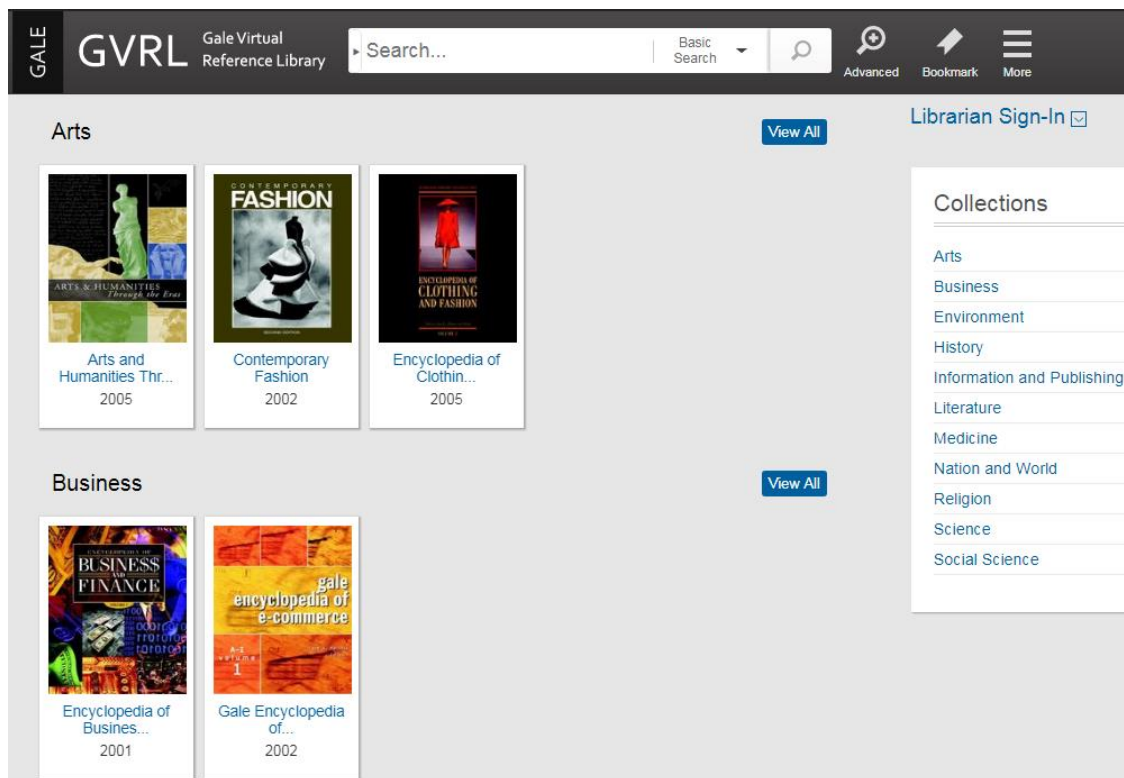

You can access this database from any computer which is connected to the Internet. Go direct to: <http://bit.ly/1CocEPD>

Or via the [e-library](#) page of the Library website (<http://library.brooklands.ac.uk>).

Or via the e-resources page on Moodle

If you are accessing GVRL from outside College you will need to log in using your Brooklands College log in.

You can select a particular publication from the home page:

Or search for a specific term:

Viewing results

A list of relevant book titles will appear:

You can reduce the number of results obtained by using the options below to limit your search.

The screenshot shows search results for 'Westwood, Vivienne'. The main results area contains two entries. The first entry is from 'Contemporary Fashion' (4 pages, BIOGRAPHY) and the second is from 'Encyclopedia of Clothing and Fashion' (3 pages, BIOGRAPHY). Both entries have 'View eBook' and 'Save' buttons. To the right, a sidebar titled 'Search within results' includes a search box and several filter sections: 'Limit Search by:' (with 'with images' checked), 'Content Level' (with 'Basic' selected), 'Document Type' (listing 'Topic overview (29)', 'Biography (15)', and 'Company overview (2)'), 'Publication Title' (listing 'Encyclopedia of Clot... (32)', 'Contemporary Fashion (11)', and 'History Behind the H... (2)'), and 'Subjects' (listing 'Fashion (25)' and 'Clothing industry (10)').

Click on **view e-book** to read the article.

A number of options appear to the right of the screen including a print and a download option:

The screenshot shows a document viewer interface. At the top, there are navigation links for 'Previous Page' and 'Table of Contents', and a 'View Text' button. Below these is a toolbar with navigation and search icons. The main content area displays a page from 'WESTWOOD CONTEMPORARY FASHION, 2nd EDITION'. The text on the page includes a biographical snippet about Westwood and his 'demanding sense of a contemporary postwar lifestyle'. To the right of the page is a 'Tools' sidebar with options for 'Citation Tools', 'E-mail', 'Download', and 'Print'.

Some articles can be downloaded as an audio file.

If you want help using this database please ask a member of LRC staff.
