Hairdressing Training

Quick Start Guide

The Hairdressing Training website contains lots of resources that are targeted at students studying hairdressing. It has streamable videos covering many areas of hairdressing such as health and safety, cutting and colouring techniques, equipment guides and chemical treatments.

You can access the Hairdressing Training site from any computer with internet access by typing in: <http://hairdressing.ac.uk> or via the Library website or Moodle e-page. This website is available to view on mobile devices via <http://htmob.mobi/> or via the QR code.

resources

To start click on **Browse our resources** this will take you to a list of resources. Choose the resource you wish to use and click on it.

You can narrow the list of resources by selecting type of media, subject, unit and level.
