

Quick Start Guide

Issues Online provides information on contemporary social topics. The articles include key facts and statistics, news, lobby group links, research guides and glossaries.

You can access this database from any computer connected to the Internet. Go direct to: <http://bit.ly/1fjQpjO> or via the [e-library](#) page of the LRC website or the e-resources page on Moodle. Alternatively you can access it directly by going to <http://www.issuesonline.co.uk>. Off campus select the Shibboleth login route and log on with your college username and password.

The opening screen looks like this.

The screenshot shows the Issues Online homepage. At the top, there is a search bar with the text 'Search Here' and a red 'Search' button, and a 'Logout' button. Below the search bar is a navigation menu with links for Home, Subject Areas, E-Books Library, Glossary, Help and Resources, Sign Up, and Contact Us. The main content area features a 'Welcome to Issues Online' message and a section titled 'Issues Online - Latest Topics' with eight topic cards: Privacy, The Sex Trade, Fertility and Reproduction, Marriage and Partnership, Waste and Recycling, AIDS & HIV, Fitness, and Citizenship in the UK. Below this is a 'Subject Areas' section with a description and an 'E-Books' section with a description. A red arrow points from the 'Subject Areas' section to the search bar in the next image.

Searching

To search for articles you can select a topic category from the homepage, click on the **subject areas** option or use the keyword search facility at the top of the page.

A close-up of the search bar from the homepage. It shows a text input field with the placeholder text 'Search Here' and a red 'Search' button to its right. A red arrow points from the 'Subject Areas' section in the previous image to this search bar.

Selecting a topic category returns a list of more specific issues to choose from.
